

# Guest Form to Billet for the Land Rover Kelowna 2016 M24 Canadian Nationals

\* Required

## Request for Billet Accommodation for M24 CNats \*

BACKGROUND: Teams will be travelling to Kelowna to compete in the Land Rover Kelowna 2016 Melges 24 Canadian National Championships from across Canada and the US. Many of the sailors coming to Kelowna travel extensively on a circuit of races. Prime tourist season in Kelowna can be prohibitively expensive for visitors. For this reason, offers of billet accommodation may be the final deciding factor. TERMS: There will be no fees associated with provision of billeting, however, pending sponsorship funds and final budget, the team may be asked to cover the cost of two tickets to Commodore's Dock Friday Night BBQ for your hosts.. Billet accommodation will only be offered to competitors who have registered and paid. Sailors travelling with family or non-competitors will find Kelowna a great vacation spot. Although competitor billet accommodation not appropriate, links to Tourism Kelowna will be helpful for vacation planning. Billet homes are not under any obligation to provide food. Sailors will arrive with their own sleeping bags, towels and pillows unless other arrangements have been made. The expectation is that visitors will provide up to date arrival and departure information and be good guests. From organizing committee: Expect a confirmation of receipt email within three days of submitting this request. This is a first come /first serve process and we will do our best to find your team a host. Get ready for an exceptional regatta experience in Kelowna, a little piece of heaven! Title Sponsor: Land Rover Kelowna <http://landroverkelowna.com/>

**Primary Billet Contact - First Name Last Name \***

**Primary Contact Cell \***

**Email Address \***

**Home Club, Name and Sail Number of Melges \***

(cheering purposes!)

**Team Emergency Contact / Cell Number**

Optional

**Number of sailors in my group requiring billet accommodation: \***

Provide any configuration details that will help us match billet to host (eg. couple on team)

**Pertinent information host should be aware of?**

(e/g/ severe peanut allergy?)

**We have registered and paid for the regatta entry fee? \***

If you have registered and paid registration you are then eligible for a (probably fabulous) billet accomodation.

Yes

No

**As a last resort, our team be willing to bring sleeping bags and tent if necessary for free accommodation?**

We are hoping to have beds for everyone, this is a contingency question.

Yes

No

**Team willing to pay for two Friday night BBQ tickets for my hosts? (under \$20 Canadian)**

We are planning a great casual BBQ on Commodores Dock for Friday night. We would like to open this up to the hosts and hope this is included in our regatta budget. Pending sponsorship funds, we would like to confirm billeted teams would cover this cost if necessary.

Yes

No

**What is the most important criteria for me? \***

We would like to try to match the team to the "best fit" accomodation. For example if you check real bed, we can probably find that but you may need to drive an extra 15 minutes

- Close proximity to KYC, even if that means tenting or camping out
- Real bed if possible.
- Kitchen facilities, ability to make breakfast and lunches.

**Other criteria important to team that we should know about?**
